MANAGEMENT INFORMATION CIRCULAR
(as at January 10, 2019, except as noted)

HOW TO VOTE

People Corporation (the “**Company**”) is providing this management information circular (this “**Information Circular**”) and a form of proxy in connection with **management's solicitation of proxies for use at the annual and special meeting of shareholders (the “Meeting”) of the Company to be held on February 26, 2019, at 3:00 p.m. CST (Winnipeg time) or at any adjournments.** Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included. The Company will conduct its solicitation by mail, and officers, employees and advisors of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company has also retained Laurel Hill Advisory Group (“**Laurel Hill**”) as its proxy solicitation agent and will pay fees of up to \$32,500 for the proxy solicitation service in addition to certain out-of-pocket expenses. The solicitation of proxies by this Information Circular is being made by or on behalf of the management of the Company and the total cost of the solicitation will be borne by the Company.

GENERAL VOTING INFORMATION

Record Date

The record date for the Meeting is January 10, 2019 (the “**Record Date**”). If you held common shares of the Company on that date, you are entitled to receive notice of, attend and vote at the Meeting.

Voting Securities and Votes

The common shares are the Company’s only voting securities. Each common share entitles the holder to one vote at the Meeting. A simple majority of votes cast at the meeting (50% plus one vote) is required to approve each of the items of business, except that the vote in respect of the approval of the amendments to the Company’s Security Based Compensation Plan (the “**SBCP**”) will require a simple majority of the votes cast by only disinterested shareholders (namely, those shareholders who are not eligible for grants of awards pursuant to the SBCP).

Voting Instructions

If you specify how you want to vote on your proxy form or voting instruction form, your proxy holder has to vote that way. If you do not indicate how you want to vote, your proxy holder will decide for you.

If you appoint Laurie Goldberg, Chairman of the Board or Dennis Stewner, Chief Financial Officer & Chief Operating Officer, each a representative of the Company, as set out in the enclosed form of proxy or voting instruction form, and do not specify how you want to vote, your common shares will be voted as follows:

Matter	Voted
Election of management nominees as directors	FOR
Re-Appointment of MNP LLP, as auditors and authorize Directors to affix auditors' remuneration	FOR
Amendment to People Corporation Security Based Compensation Plan	FOR

Amendments or Other Business

If amendments or other business are properly brought up at the Meeting, you (or your proxy holder, if you are voting by proxy) can vote as you see fit. The Company is not aware of any other business to be considered at the Meeting or any changes to the current business.

Registered and Non-Registered Shareholders

Only shareholders whose names appear on the records of the Company as the registered holders of shares (i.e. you hold a share certificate with your name on it, either physically or in electronic format) or duly appointed proxy holders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders ("**Beneficial Shareholders**") because the shares they own are not registered in their names but instead, are registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a Beneficial Shareholder.

There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities whose securities they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the form of proxy or voting instruction form, to both registered shareholders and Beneficial Shareholders. If you are a NOBO, the Company or its agent has sent these materials directly to you (instead of through a Nominee), as your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee who is holding on your behalf. Nominees are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. The voting instruction form supplied to you by your broker will be similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your common shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a Voting Instruction Form ("**VIF**") in lieu of the form of proxy provided by the Company. The VIF will name the same persons as are set out in the Company's form of proxy to represent your common shares at the Meeting. The completed VIF must then be returned to Broadridge by mail or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting and the appointment of any shareholder's representative. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your common shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your common shares at the Meeting.

REGISTERED SHAREHOLDER VOTING

Voting in Person

If you plan to attend the meeting and want to vote your common shares in person, do not complete or return the enclosed proxy form. Your vote will be taken and counted at the Meeting. Please register with the recording secretary when you arrive at the Meeting.

Voting by Proxy

Whether or not you attend the Meeting, you can appoint someone else to attend and vote as your proxy holder. Use the enclosed proxy form to do this. The people named in the enclosed proxy form are members of management of the Company and/or the Board (the “**Management Proxy Holders**”). ***You have the right to choose another person to be your proxy holder by striking out the names of the Management Proxy Holders and printing the other person’s name in the space provided or by signing a proxy in a form similar to the enclosed form.*** Your proxy holder need not be a shareholder of the Company. Then complete the rest of the proxy form, sign it and return it. Your votes can only be counted if the person you appointed attends the Meeting and votes on your behalf. ***If you have voted on the proxy form, neither you nor your proxy holder may vote in person at the Meeting, unless you revoke your proxy.***

Shares represented by a properly executed proxy will be voted for or against or be withheld from voting on each matter referred to in the Notice of Annual Meeting in accordance with your instructions on any ballot that may be called for and if you have specified a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If you do not specify a choice and you have appointed one of the Management Proxy Holders as proxy holder, the Management Proxy Holder will vote in favour of the matters specified in the Notice of Annual Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named in it as proxy holder with respect to amendments or variations to matters identified in the Notice of Annual Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

To vote your signed proxy must be filed using one of the voting methods described below and must be received by the TSX Trust Company before 4:00 p.m. EST (Toronto time) on February 22, 2019 or if the Meeting is adjourned, at least 48 hours (excluding weekends and holidays) before the time set for the Meeting to resume (cut off time). The time limit for the deposit of proxies may be waived or extended by the chairman of the Meeting at his discretion, without notice. Following are the voting methods:

You may change the way you voted by proxy by sending a new proxy prior to the cut off time to revoke your vote. **Your latest proxy will be the only one that is valid.**

BENEFICIAL SHAREHOLDER VOTING

Notice and Access

The Company has elected to use the notice-and-access model to deliver the Meeting materials to Beneficial Shareholders. Under Notice-and-Access, Beneficial Shareholders still receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of this Information Circular and other Meeting materials, Beneficial Shareholders receive a notice with information on how they may access such materials electronically. To deliver the materials in this manner, the Company has provided all of the Beneficial Shareholders with a Notice-and-Access Notice and has posted the Meeting materials with its public filings on SEDAR at www.sedar.com and at <https://www.peoplecorporation.com/about-us/annualmeeting/>. The Company will mail paper copies of the Meeting materials to any shareholder who previously requested paper copies. Requests should be submitted as set out below.

The Company's annual report for its 2018 fiscal year contains the Company's audited annual consolidated financial statements and management's discussion and analysis for the fiscal year ended August 31, 2018. The Company will provide copies of all proxy-related materials, including its annual report and/or this Information Circular, free of charge, to any shareholder, upon request.

Any Beneficial Shareholder who wishes to receive a paper copy of the proxy-related materials should contact the Company's proxy solicitor, Laurel Hill Advisory Group, by phone, toll-free at 1-877-452-7184 or 416-304-0211 (for callers outside North America) or by e-mail to assistance@laurelhill.com. If materials are requested before the Meeting, the Information Circular will be sent at no charge within 3 business days of receiving the request. To receive the Information Circular before the voting deadline for the Meeting of 4:00 p.m. EST (Toronto time) on Friday, February 22, 2019, the request must be received no later than Thursday February 14, 2019. Please note that another form of proxy or voting instruction form will not be sent, so Shareholders are requested to keep the form received with the Notice. In order to ensure that a paper copy of the proxy-related materials can be delivered to a requesting shareholder in time for such shareholder to review the proxy-related materials and return a form of proxy or voting instruction form prior to the deadline, it is strongly suggested that shareholders ensure their requests are received no later than February 15, 2019.

The proxy-related materials will be available on the Company's website, <https://www.peoplecorporation.com/about-us/annualmeeting/>, as of January 18, 2019, and will remain on the website for one full year thereafter. The proxy-related materials will also be available under the Company's public filings on SEDAR at www.sedar.com.

If you have questions or require assistance with voting, please contact the Company's proxy solicitation agent:

Email: assistance@laurelhill.com

Non-Objecting Beneficial Owners

If you are a NOBO, the Company's agent, Broadridge Financial Solutions Inc., is sending the voting instruction form to you for completion and return by one of the methods described below. Please carefully follow the instructions on it for return of the executed form or other method of response. Broadridge will tabulate the results received from NOBOs and will provide appropriate voting instructions at the Meeting with respect to the shares represented by the voting instruction forms that it receives. The Company may be utilizing the Broadridge QuickVote™ service to assist Beneficial Shareholders with voting their common shares. NOBOs may be contacted by Laurel Hill to conveniently obtain a vote directly over the telephone.

Objecting Beneficial Owners

Nominees are required to forward the proxy-related materials to Beneficial Shareholders to seek their voting instructions in advance of the Meeting, unless the Beneficial Shareholder has waived the right to receive the materials. Generally, Beneficial Shareholders who have not waived the right to receive proxy-related materials will either:

- (i) be given a voting instruction form which is not signed by the Nominee and which, when properly completed and signed by the Beneficial Shareholder and returned to the Nominee or its service company, will constitute voting instructions, which the Nominee must follow; or
- (ii) be given a form of proxy, which has already been signed by the Nominee (typically by a facsimile stamped signature) and which is restricted to the number of shares beneficially owned by the Beneficial Shareholder but is not otherwise completed by the Nominee. Because the Nominee has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Shareholder when submitting the proxy. In this case, the Beneficial Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust Company, by the mail or facsimile methods described below, subject to instructions of their Nominee, if applicable.

In either case, the purpose of these procedures is to permit you to direct the voting of the shares that you beneficially own. **You should carefully follow the instructions, as applicable (as a NOBO or an OBO, as the case may be), including those regarding when and where the form of proxy or voting instruction form is to be delivered.**

If you do not specify a choice and you have appointed one of the Management Proxy Holders as proxy holder, the Management Proxy Holder will vote in favour of the matters specified in the Notice of Annual Meeting and in favour of all other matters proposed by management at the Meeting.

Voting in Person

If you plan to attend the Meeting and wish to vote your common shares in person, insert your own name in the space on the enclosed voting instruction form. Then follow the signing and return instructions provided by your Nominee. Your vote will be taken and counted at the meeting, so do not

indicate your votes on the form. Please register with the recording secretary when you arrive at the meeting.

Voting by Instruction

Whether or not you attend the meeting, you can appoint someone else to attend and vote as your proxy holder. Use the voting instruction form to do this. The people named in the enclosed voting instruction form are members of management and/or the Board. ***You have the right to choose another person to be your proxy holder by striking out the names of the Management Proxy Holders and printing that person's name in the space provided. Your proxy holder need not be a shareholder of the Company.*** Then complete the rest of the form, sign it and return it. Your votes can only be counted if the person you appointed attends the Meeting and votes on your behalf. ***If you have voted on the voting instruction form, neither you nor your proxy holder may vote in person at the Meeting, unless you revoke your voting instructions.***

Completion and Return of Proxy or Voting Instruction Form

Beneficial Shareholders should carefully follow the instructions of TSX Trust Company or their Nominee, as applicable, including those regarding when and where the proxy or voting instruction form is to be delivered. Note that if you are a Beneficial Shareholder, your Nominee will need your voting instructions sufficiently in advance of the proxy deposit deadline to enable your Nominee to act on your instructions prior to the deadline

NOBOs may vote as follows:

To vote by Internet: Please go to www.proxyvote.com and enter the 16 digit control number provided on the voting instruction form.

To vote by telephone: Please call the number provided on your voting instruction form, enter your 16 digit control number and follow the interactive voice recording instructions to vote your shares.

To vote by mail: Please return your voting instruction form in the postage-paid envelope provided.

OBOs should carefully follow the instructions of their Nominee, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

Revocability of Proxy or Voting Instruction Form

A Beneficial Shareholder may revoke **their voting instruction form or proxy by arranging for their respective intermediaries to revoke the voting instruction form or proxy on their behalf in accordance with any requirements of the intermediaries.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares. As of the date hereof, 60,640,511 common shares of the Company were outstanding. To the knowledge of the directors and executive officers of the Company, as at the date of this Information Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

BUSINESS OF ANNUAL AND SPECIAL MEETING

1. Annual Financial Statements

The annual financial statements of the Company for the fiscal year ended August 31, 2018, are included in the Company's 2018 Annual Report, which is being provided to shareholders with this Information Circular. The annual report will be placed before the shareholders at the meeting and has been filed on SEDAR.

2. Election of Directors

The Articles of the Company provide for a minimum of one and a maximum of twenty directors, as determined by the directors. The proposed number of directors to be elected at the Meeting is four. The persons named on the accompanying form of proxy or voting information form, as applicable, intend to vote for each of the nominees proposed for election as director, unless a holder of common shares of the Company specifies in the form of proxy to withhold the vote of the common shares held, for such nominee.

Pursuant to Section 10.05 of By-Law No. 1A of the Company (the "**By-Law**"), a shareholder of the Company wishing to nominate an individual to be a director, other than pursuant to a requisition of a meeting made pursuant to the Business Corporations Act (Ontario) (the "**Act**") or a shareholder proposal made pursuant to the provisions of the Act, is required to comply with Section 10.05 of the By-law. Section 10.05 of the By-Law provides that written prescribed notice of any such nomination to be made at the Meeting has to be given to the Secretary of the Company prior to January 26, 2019. The foregoing is merely a summary of the advance notice provisions of the by-laws of the Company, is not comprehensive and is qualified by the full text of such provisions. The full text of such provisions is set out in Section 10.05 of the By-Law, a copy of which is attached as Schedule "A" to the January 19, 2012 management information circular of the Company, which can be found under the Company's profile at www.sedar.com. As at the date of this Information Circular, the Company has not received notice of a nomination in compliance with Section 10.05 of the By-Law and, if no such notice is received, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

The following table states the names of all persons proposed to be nominated at the Meeting for election as directors, including the date they first became directors, their beneficial ownership of common shares in the Company, their principal occupations for the past five years, and their committee memberships. Each director's term of office will expire at the next following annual general meeting of shareholders of the Company or when his successor is elected or appointed.

It is not contemplated that any such nominees will be unable or unwilling to serve as a director but if for any reason prior to the Meeting any such nominee should become unable to serve or declare that he is unwilling to serve, the Board reserves the right to nominate another person for election as director, and in such event proxies received by persons named on the accompanying form of proxy may be voted for such person.

On October 6, 2009, when Richard Leipsic was General Counsel and Vice President of Canwest Global Communications Corp ("**Canwest**"), Canwest and certain of its subsidiaries applied for and were granted protection from their creditors under the *Companies' Creditors Arrangement Act (Canada)*. On November 13, 2009, the Toronto Stock Exchange ("**TSX**") delisted Canwest's subordinate voting shares and non-voting shares (collectively the "**Securities**"), for failure to meet the continuous listing requirements. On November 16, 2009, the Securities commenced trading on the TSX-V. Subsequent to his departure from Canwest, the consolidated plan of compromise, arrangement and reorganization pertaining to Canwest was successfully implemented.

3. Appointment of Auditor

MNP LLP, Chartered Accountants, of Toronto, Ontario and Winnipeg, Manitoba, has been the auditor of the Company since July 2006. In the absence of instructions to the contrary, the enclosed proxy will be voted for the re-appointment of MNP LLP as the auditor of the Company to hold office until the next annual meeting of shareholders and authorizing the directors to fix the auditor's remuneration.

4. Approval of Amendment to Security Based Compensation Plan

The Company is seeking the approval of the shareholders to make two amendments to the People Corporation Security Based Compensation Plan ("**SBCP**").

Under the policies of the TSX Venture Exchange, an amendment to the SBCP to increase the number of Common Shares reserved for issuance under the SBCP and an amendment to the SBCP that extends the term of an Option beyond its original expiry, must be approved by a simple majority of the votes cast by the Company's disinterested shareholders in order to be effective. The Company has determined, based upon publicly available information, that an aggregate of 10,094,893 of its common shares are held by shareholders who have an interest in the approval of the amendments to the SBCP, namely persons who are eligible for grants of Awards under the SBCP, and accordingly, such common shares will not be counted in the voting. At the Meeting, disinterested shareholders will be asked to approve the following resolution:

“BE IT RESOLVED as an ordinary resolution THAT:

1. the People Corporation Security Based Compensation Plan be amended to:
 - (i) increase the number of Common Shares available for issuance by 1,250,000 Common Shares, from 5,986,222 Common Shares, to 7,236,222 Common Shares, inclusive of Common Shares issuable pursuant to the Company’s Prior Plans; and
 - (ii) increase the period of time following a Triggering Event within which outstanding Options held by the affected Participant may be exercised from 30 days to 90 days; and
2. any director or officer of People Corporation be and is hereby authorized, for and on behalf of People Corporation to execute and deliver all documents and instruments and take such other actions, including making all necessary filings with applicable regulatory bodies and stock exchanges, as such director or officer may determine to be necessary or desirable to implement this ordinary resolution and the matter authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument and the taking of any such action.”

Defined terms set out in the above resolution are defined in the SBCP and a copy of the SBCP, which incorporates these proposed amendments, for ease of reference, is annexed to this Information Circular as Appendix ‘C’.

As set out in the chart below, as at the Record Date, the total dilution including the proposed increase in Common Shares reserved for issuance under the SBCP, when approved by shareholders, when added to the securities to be issued upon exercise of outstanding awards under the SBCP plus securities remaining available for future issuance under the SBCP is expected to be **9.99%**.

Outstanding Securities as at the Record Date

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

THE BOARD OF DIRECTORS

The Board of Directors of the Company (the “**Board**”) is committed to ensuring that the Company has an effective corporate governance system that adds value and assists the Company in achieving its objectives. To this end, the Company has designed governance practices to be consistent with these objectives. The Company acknowledges the benefits received by the Company, its shareholders and the business community, in general, from the disclosure of its corporate governance practices and is committed to an ongoing process of disclosure and implementation of the corporate governance guidelines set forth in National Policy 58-201 - *Corporate Governance Guidelines* (the “**Guidelines**”), where appropriate.

Responsibility of the Board of Directors

The Board assumes responsibility for the stewardship of the Company

The Board regularly engages in discussions related to financial, legal, technological and economic matters that impact or potentially could impact the Company and their associated risks. Material risks or issues are addressed with full Board and management participation. To assist it in carrying out its responsibilities, the Board has established two standing committees to devote the necessary expertise and resources to specialized areas, and to enhance the quality of discussion at Board meetings:

- The Audit & Risk Committee (the “**A&R Committee**”)
- The Human Resource and Corporate Governance Committee (the “**HRCG Committee**”)

Composition of the Board

All of the directors, with the exception of Mr. Goldberg, the Chief Executive Officer of the Company, are independent within the meaning of the Guidelines.

Before or after every meeting of the Board, the independent directors meet *in camera*, without the presence of management.

Board Leadership

In his role as Chairman, Mr. Laurie Goldberg directs the operations of the Board. He chairs each meeting of the Board and is responsible for the management and effective functioning of the Board, generally and provides leadership to the Board in all matters. More specifically, the Chairman works in consultation with the Lead Director and the members of management to, among other things, set the agenda for each Board meeting; ensure that the Board has all of the information that it needs to discuss the matters brought before the Board; and ensure that all of the Board’s responsibilities are being fulfilled. The Chairman also monitors the reports from the committees of the Board to ensure the committees are

fulfilling the responsibilities delegated to them by the Board. The Chairman ensures that strategic plans are communicated to the Board and that these plans are evaluated as to their success.

The Board has appointed an independent director, Mr. Scott Anderson, to serve as Lead Director. The Lead Director provides leadership to the Board and particularly to the independent directors. He ensures that the Board operates independently of management and that directors have an independent leadership contact. The Lead Director chairs meetings of the independent directors as required. The Lead Director meets periodically with the other independent directors to obtain insight as to areas where the Board and its committees can operate more effectively and to ensure that the Board is able to discharge its responsibilities independent of management.

Director Independence

The Board has determined that the current leadership structure, in which the offices of the Chairman and the Chief Executive Officer are held by one person and where an independent director acts as Lead Director and as Chairman of each of the Board committees, ensures that the appropriate level of oversight, independence and responsibility is applied to Board decisions. The Lead Director facilitates communication with the Board and presides over sessions where the independent directors meet without the non-independent director, or sessions when the Chairman is not present. The Lead Director and each of the other directors communicate regularly with the Chairman regarding appropriate agenda topics and other Board related matters

Directorships

Other than as disclosed below, no director of the Company is presently a director of any other reporting issuer (or the equivalent) in Canada or a foreign jurisdiction.

In addition to serving as a director of the Company, Mr. Eric Stefanson serves as a director of The North West Company (Chairman of the Audit Committee).

Orientation and Continuing Education

The HRCG Committee is responsible for providing orientation and continuing education programs for directors. The Company has a formal orientation program for new Board members consisting of (i) the presentation of documents containing detailed information about the Company (financial information, investor relations information, organization chart, constating documents, press releases, operations and financial plans), the Board and the committees of the Board, (ii) a meeting with the Chairman of the HRCG Committee and (iii) access to management, experts and consultants to the Company. Continuing education of Board members is conducted on an informal basis, with information being presented from time to time regarding current trends relating to boards of directors and those affecting the business and affairs of the Company.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders.

The Company has adopted a written Code of Business Conduct and Ethics (the "Code") applicable to directors, officers and employees of the Company and its subsidiaries and a Whistle Blower Policy. The Code and the Whistle Blower Policy each provide for a procedure to report any serious concern regarding business ethics related to the Company, and the Whistle Blower Policy provides for a procedure for reporting any serious concern regarding a questionable accounting, internal accounting controls and/or auditing matter. The Board has found that the fiduciary duties placed on individual directors and officers by the Company's governing corporate legislation and stock exchange rules and on the exclusion of a

director from decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates in the best interests of the Company.

Nomination of Directors

The directors of the Company are elected at each annual meeting and hold office until the next annual meeting or until their successors are appointed. The HRCG Committee has responsibility to identify potential candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the financial services industry are consulted for possible candidates.

Compensation of Directors, the CEO and Other Senior Executives

The members of the Board have responsibility for determining compensation for the directors and the independent directors have responsibility for determining compensation for the CEO and for reviewing and approving the compensation plans for the other senior executives of the Company, which decisions are based on the recommendations of the HRCG Committee.

The Board takes HRCG Committee recommendations into account and reflects on the need to provide incentive and compensation for the time and effort expended by the directors, while taking into account the financial and other resources of the Company. The compensation of the Company's directors is described in detail, below, under the heading, "Compensation of Directors".

In recommending compensation for the CEO, the HRCG Committee annually reviews the performance of the CEO in light of the Company's objectives and considers other factors that may impact the success of the Company in achieving its objectives. Recommendations respecting the CEO and other executives' salaries are based on informal discussions and analysis with members of senior management and on input from an independent consultant with expertise in the subject matter. Base salaries and incentive compensation are paid at levels intended to reward for ongoing performance and that enable the Company to attract and retain qualified executives with demonstrated abilities. See "Statement of Executive Compensation" below.

BOARD COMMITTEES

Committees of the Board are an integral part of the Company's governance structure. Board committees facilitate effective Board decision making by providing recommendations to the Board on matters within their respective responsibilities. The Board believes that the committees assist in the effective functioning of the Board and that the composition of the committees should ensure that the views of independent and non-independent directors are effectively represented.

The Board acknowledges the benefit to shareholders of a diverse board, especially with respect to gender. Therefore, the Board has resolved that for any future Board appointments, the Board will ensure that the pool of candidates from which the director nominee will be selected will include women.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The objective of this Compensation Discussion and Analysis is to provide information regarding the significant elements that make up the compensation paid, made payable to, awarded to, granted to or otherwise provided to each of the Company's Named Executive Officers ("NEOs") for the most recently completed financial year. For the purpose of this disclosure, the NEOs are comprised of each Chief Executive Officer and each Chief Financial Officer during the most recently completed financial year and the other three most highly compensated executive officers of the Company as at August 31, 2018, whose individual compensation for the most recently completed financial year exceeded \$150,000 and any individual who would have satisfied these criteria but for the fact that the individual was not serving as

such an officer at the end of the most recently completed financial year.

The Company's NEOs for the year ended August 31, 2018, are: Laurie Goldberg, Chief Executive Officer; Dennis Stewner, Chief Financial Officer and Chief Operating Officer; Bonnie Chwartacki, President; Brevan Canning, Executive Vice President and Group Head – Benefit Solutions; and Paul Asmundson, Executive Vice-President and Chief Corporate Development Officer.

Goals and Objectives of the Compensation Program

The Company's compensation program and strategy for its executive officers consists primarily of three main elements: base salary, an annual cash bonus (short-term incentive) and security-based compensation (long-term incentive).

Base salary is intended to provide a base compensation that reflects the executive's responsibilities and experience. Base salary provides regular compensation for assuming the responsibilities of the position and is paid in cash. Annual cash bonuses and security-based compensation are intended to provide a greater incentive for executives to work toward the achievement of the Company's short and long term goals and strategic objectives and to reward the executives for such achievements. Commencing with its 2015 fiscal year, the Company implemented its Security Based Compensation Plan, described in detail, below (the "SBCP") as part of its compensation programs for directors, officers and senior management. The SBCP was established with the assistance of an independent external compensation advisor to provide for a compensation model for the Company's directors and management that enhances the Company's compensation and risk-mitigating practices by more closely aligning pay with performance outcomes.

Cash bonuses are awarded annually based on a combination of the achievement of specified financial performance targets of the Company and a discretionary assessment regarding the achievement by the NEOs of individual goals and objectives. Cash bonuses are designed to motivate and reward executives for the achievement of the Company's short-term goals and objectives, while the security-based compensation is designed to motivate and reward executives for the achievement of the Company's long-term objectives and to retain key employees.

The compensation for the NEOs is comprised of base salary and incentive compensation, as set out in each of these NEO's employment agreements, which are summarized below. The annual incentive compensation program for the NEOs is based on subjective qualitative and objective quantitative criteria for both individual performance and the overall performance of the Company and is comprised of both an annual cash bonus payment and security-based compensation. For fiscal year 2018, the security-based portion of the annual incentive compensation program was set at 50% of each NEO's base salary and comprised grants of Restricted Stock Units. This security-based portion of incentive compensation for the NEOs was based on pre-determined Company performance criteria, which in fiscal 2018 the Company fully achieved. The Company is relying on the exemption in NI-102F6 whereby the Company is not required to disclose the performance goals in respect of the quantitative performance-related factors due to the potential serious detrimental effect on the Company's acquisition strategy and competitiveness and the serious prejudice to the Company's interests that such disclosure would cause.

The HRCG Committee, reviews, annually, the performance of the CEO and recommends compensation for the CEO that is fair, equitable and in line with that of similar positions within the industry. The HRCG Committee is responsible for recommending base salary, bonus program and security-based compensation payable to the CEO, as well as the appropriate compensation mix.

The HRCG Committee has delegated the responsibility for determining the compensation levels for each of the other NEOs to the CEO, subject to its annual review and recommendations in respect of the Company's executive compensation program as provided for under its mandate. The CEO, therefore, has responsibility for setting base salary, commission levels, bonuses, and other incentive compensation for the other NEOs and has responsibility for setting the appropriate compensation mix, subject to the HRCG Committee's review. The CEO is required to obtain Board approval before awarding security-based incentive compensation to the NEOs.

Compensation Risk

The HRCG Committee has considered the implications of compensation risk and adopted a strategy of recommending NEO compensation made up of a combination of base salary, annual cash bonus and long-term incentives such as security-based compensation, to ensure that the NEOs do not engage in high risk behavior, which could add undue risk to the Company. This combination of incentives promotes strong performance during the year while reducing the risk of an over-emphasis on short-term gain by executives at the expense of long-term performance of the Company.

The Company does not prohibit NEOs or directors from purchasing financial instruments such as forward contracts, equity swaps or other financial instruments designed to hedge or offset a decrease in market value of securities granted as compensation or held, directly or indirectly, by a NEO or director. However, neither the Board nor management is aware that any such individual has, in the past, bought or currently holds such instruments.

Description of Long-Term Incentive Plans

At its annual and special meeting of shareholders held on February 19, 2015, the shareholders of the Company approved the adoption of the SBCP to replace the Company's then existing Stock Option Plan (the "**Old Plan**"). The Company's Employee Share Purchase Plan (the "**ESPP**") was unaffected by the implementation of the SBCP.

As a result of the implementation of the SBCP, from and after the annual shareholder meeting held in February 2015, further options were not permitted to be granted under the Old Plan; however, all option agreements entered into under the Old Plan continue to be governed by the terms of that Plan.

People Corporation Security Based Compensation Plan and Proposed Amendment

The following is a summary of important provisions of the SBCP. It is not a comprehensive discussion of all of the terms and conditions of the Plan. Readers are advised to review the full text of the SBCP to fully understand all of its terms and conditions, which full text incorporating the proposed amendments is annexed to this Information Circular in Appendix 'C'.

Purpose. The SBCP was instituted to promote the Company's interests and long-term success by providing directors, officers, employees and consultants of the Company and its affiliates with incentives to further develop and promote the Company's business and financial success, both in the short term and the long term, to align the interests of persons to whom awards under the SBCP ("**Awards**") may be granted ("**Participants**") with those of the shareholders through equity ownership in the Company, and to assist the Company in attracting, retaining and motivating the directors, officers, employees and consultants of the Company and its affiliates. The SBCP allows for the issuance of stock options, restricted stock units ("**RSUs**"), deferred stock units ("**DSUs**") and tandem stock appreciation rights ("**Tandem SARs**"). This provides the Company with a variety of performance incentives to permit it to better tailor the Award to the particular circumstances of the recipient.

Administration. The Company's HRCG Committee has been appointed by the Board to administer the SBCP.

Eligible Persons. Awards under the SBCP may be granted to any director, officer, employee or consultant of the Company or of its affiliates (an "**Eligible Person**").

Number of Securities Issued or Issuable. Subject to the adjustment provisions provided for in the SBCP and the rules and regulations of regulatory authorities (including the TSX Venture Exchange – "**TSX-V**"), the aggregate number of common shares currently reserved for issuance under the SBCP cannot exceed 5,986,222, which number includes the common shares reserved for issuance under the Old Plan and the ESPP. **Note that if the proposed amendment is passed this number will increase by 1,250,000 to 7,236,222.**

For purposes of the above, if an Award entitles the holder to receive or purchase common shares, the number of common shares covered by the Award will be counted on the date of its grant against the aggregate number of common shares available for granting under the SBCP. Every common share

subject to an option will be counted against the limit as one common share. Similarly, options to acquire common shares that have expired or been forfeited, surrendered, canceled or otherwise terminated and Awards comprised of common shares that are settled in cash in lieu of the issuance of shares, become available again for granting under the SBCP.

Material Terms of Awards.

Stock Options – Options may be granted to Eligible Persons at an exercise price that equals the volume-weighted average of the prices at which the common shares traded on the TSX-V, for the five (5) Trading Sessions immediately preceding the grant date of the Options. Unless otherwise determined by the HRCG Committee, options vest as to 1/3 of the number granted on each of the first 3 anniversaries of the grant date and expire on the eighth anniversary of the grant date; provided that for so long as the common shares are listed on the TSX-V, options issued to consultants performing investor relations activities must vest in stages over a period of not less 12 months with no more than one-quarter (¼) of the options vesting in any three-month period. Generally, options cease to vest when the holder is no longer an Eligible Person.

Restricted Stock Units — RSUs entitle the holder to receive common shares (or the cash equivalent) at a future date. RSUs are granted with vesting conditions (typically based on continued service or achievement of personal or corporate objectives) and settle upon vesting by delivery of common shares (or the cash equivalent). Generally, RSUs cease to vest when the holder is no longer an Eligible Person. The value of the RSU increases or decreases as the price of the common shares increases or decreases thereby promoting alignment of the interests of the RSU holders with shareholders. Settlement may be made, in the sole discretion of the HRCG Committee, in common shares, cash or a combination thereof. Unless otherwise determined by the HRCG Committee, RSUs vest 3 years after their grant date, provided that the final vesting date cannot be later than December 31st of the third calendar year following the year of service to which the RSU grant relates.

At the present time, the HRCG Committee has determined that the issuance of RSUs by the Company in respect of each fiscal year will be performance based and it has decided to conditionally grant RSUs to designated management employees for the fiscal year, which may be earned in the fiscal year based on the achievement of specified performance criteria for such fiscal year. Performance thresholds have been established which must be reached in order for the related portion of the conditionally granted RSUs to be issued with the achievement of a base performance threshold required for any of the RSUs to be issued and with the maximum number of RSUs to be issued upon achievement of the targeted performance level.

Deferred Stock Units — DSUs entitle the holder to a future right to receive common shares (or the cash equivalent) at the time of the holder's retirement, death, or the holder otherwise ceasing to provide services to the Company, allowing the Company to pay compensation to holders of DSUs on a deferred basis. At the present time, the Company has decided to grant DSUs to its independent directors and to certain members of management, in order to align their interests with those of shareholders. Each DSU awarded by the Company is initially equal to the Fair Market Value (as defined in the SBCP) of a common share at the time the DSU is awarded. The value of the DSU increases or decreases as the price of the common shares increases or decreases, thereby promoting alignment of the interests of the DSU holders with shareholders. Settlement may be made, in the sole discretion of the HRCG Committee, in common shares, cash or a combination thereof; provided that DSUs granted to directors who are not U.S. Persons (as defined in the SBCP) are to be settled by the issuance of common shares from treasury, unless at the time of exercise of the vested DSUs the director elects, subject to the consent of the Company, to have the Company pay an amount in cash equal to the aggregate current Fair Market Value of the common shares, in consideration for the surrender by the director to the Company of the right to receive common shares from the exercise of the DSUs. Vesting of DSUs is determined by the HRCG Committee in its sole discretion but generally, DSUs will cease to vest upon the holder no longer being an Eligible Person. DSUs may only be settled in the event of the Terminated Service (as defined in the SBCP) of the DSU holder.

Tandem SARs – The Company will only be eligible to grant Tandem SARs at such time as its common shares are not listed on the TSX-V. Tandem SARs provide option holders with a right to surrender vested

options for termination in return for common shares (or the cash equivalent) equal to the net proceeds that the option holder would otherwise have received had the options been exercised and the underlying common shares immediately sold. During the 2018 fiscal year the Company was not eligible to grant Tandem SARs.

Maximum Grants. If and for so long as the common shares are listed on the TSX-V:

a. no more than 5% of the issued and outstanding common shares may be granted to any one individual Participant in any 12-month period (unless the Company has obtained disinterested shareholder approval). In addition, the number of common shares: (i) issuable, at any time, to Participants who are Insiders (as defined in the SBCP); and (ii) issued to Participants who are Insiders within any one-year period under the SBCP; or the number of common shares when combined with all of Company's other security based compensation arrangements (i.e. the Old Plan and the ESPP), must not, in aggregate, exceed 10% of the outstanding common shares on a non-diluted basis;

b. no more than 2% of the outstanding common shares may be granted to any one consultant in any 12-month period; and

c. no more than 2% of the outstanding common shares may be granted to all Participants retained to conduct investor relations activities in any 12-month period.

Adjustment of Exercise/Settlement During Blackout Periods. Further to the Company's Insider trading policy, officers, directors and employees may be prohibited from trading in the Company's securities for an interval of time (the "**Blackout Period**"). As Blackout Periods are of varying length and may occur at unpredictable times, Awards may expire or settle during a Blackout Period. As a result, (i) where the expiry date of an option or Tandem SAR occurs during or within ten non-blackout trading days following the end of a Blackout Period, the expiry date for such option or Tandem SAR is the date that is ten non-blackout trading days following the end of such Blackout Period; and (ii) where the date for the settlement of RSUs or the payment of a settlement amount in the case of a DSU occurs during a Blackout Period, the Company shall make such settlement or pay such settlement amount to the holder of such an Award within ten non-blackout trading days following the end of such Blackout Period and in any event no later than December 31st of the third calendar year following the year of service to which the RSU Award relates.

Transferability. Awards granted under the SBCP are not transferable or assignable and may be exercised only by the Participant, subject to exceptions in the event of the death or incapacity of the Participant.

Other Material Information. Appropriate adjustments to the Awards granted under the SBCP will be made by the HRCG Committee to give effect to adjustments in the number and type of common shares (or other securities or other property) resulting from subdivisions, consolidations, substitutions, or reclassifications of common shares, payment of stock dividends or other changes in the Company's capital. In the event of any Change in Control (as defined in the SBCP), the HRCG Committee may: (i) in a fair and equitable manner, determine the manner in which all unexercised options or unsettled Awards granted under the SBCP will be treated including, requiring the acceleration of the time for the exercise or settlement of Awards by the Participants, the time for the fulfillment of any conditions or restrictions, including vesting, on such exercise or settlement, and the time for the expiry of such rights; or (ii) if the agreements effecting the Change in Control do not provide for the fair and equitable assumption or substitution of all Awards granted under the SBCP, then it may unilaterally commute for or into any other security, property or cash on a fair and equitable basis, any Award (other than a DSU) that is still capable of being exercised or settled, upon giving to the Participant to whom such Award has been granted at least 30 days' written notice of its intention to commute such Award, and during such period of notice, the Award, to the extent that it has not been exercised or settled, may be exercised or settled by the Participant; and on the expiry of such period of notice, the unexercised or unsettled portion of the Award can be lapsed and cancelled. Finally, the SBCP provides that if a Triggering Event (as defined in the SBCP) occurs within the twelve-month period immediately following the occurrence of certain events comprising a Change in Control of the Company, then (i) all outstanding options held by the affected Participant are to vest and may be exercised during the period of 30 days following the Triggering Event,

and (ii) all outstanding Awards (other than options) held by the affected Participant are to vest and must be settled in accordance with the New Plan. **Note that if the proposed amendment is passed the period of days will increase to 90 days.**

The Old Stock Option Plan (the “Old Plan”)

The Old Plan was approved by shareholders at the annual and special meeting of the Company held on February 23, 2011.

Options granted under the Old Plan are non-assignable and non-transferable (other than by will or by the laws of descent and distribution), are exercisable by the person during his or her lifetime, and have terms of not more than 5 years.

The Old Plan includes provisions usual to this type of plan to provide for appropriate adjustments to be made to the type and number of securities subject to options upon the occurrence of certain events, such as a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Company.

All options granted by the Company must now be issued under the SBCP, and accordingly, no options have been issued under the Old Plan since the last annual meeting of the shareholders of the Company.

Employee Share Purchase Plan (“ESPP”)

The Company has an Employee Share Purchase Plan which was approved by shareholders at the annual and special meeting of the Company held on February 23, 2011 (the “ESPP”). The purpose of the ESPP is to advance the interests of the Company by encouraging equity participation in the Company by its employees and encouraging them to use their combined best efforts on behalf of the Company to improve its profits through increased sales, reduction of costs and increased efficiency.

The ESPP allows employees of the Company and its subsidiaries (including any such person who is also an officer or a director of the Company or its subsidiaries) to participate in the ESPP once they have been continuously employed by the Company or a subsidiary for at least twelve consecutive months (such employees are referred to herein as “Participants”), subject to any waiver of this waiting period approved by the Board.

Each Participant is required to contribute, through payroll deductions, to the ESPP in each pay period, at the Participant’s option and as designated by the Participant, an amount equal to or between a minimum of 2% of the Participant’s base salary and a maximum of 5% of the Participant’s base salary.

Shares will be purchased, in an amount equal to the Participant’s contribution (less any requisite statutory withholding), from the Company at the market price (as such term is defined in the TSX Venture Corporate Finance Manual) or through a stock broker on the open market through the facilities of the TSX-V at prevailing market prices, and in each case otherwise in accordance with the rules of the TSX-V. For every four common shares that a Participant purchases under the ESPP, the Company will issue or purchase one common share, thereby effectively purchasing or issuing the number of common shares equal to 25% of the aggregate number of common shares purchased by the Participant with the Participant’s contribution (“**Matching Shares**”).

Under the ESPP, after amendments approved by the TSX-V, an aggregate of 250,000 common shares are reserved for issuance. As of the date hereof, no common shares have been issued from treasury under the ESPP and 250,000 common shares remain reserved for issuance under the ESPP. As of August 31, 2018, 2,228,541 common shares have been purchased on the open market with Participants’ contributions and the Company has purchased 536,264 Matching Shares on the open market.

During the year ended August 31, 2018, NEOs received 2,022 Matching Shares under the ESPP.

No common shares will be issued under the ESPP at any time to any insider if such issuance, together with all of the Company's previously established or proposed share compensation arrangements, including the Old Plan and the New Plan, could result, at any time, in: (i) the number of common shares issued to insiders pursuant to the ESPP, together with all of such other share compensation arrangements, within any one year period exceeding 10% of the issued and outstanding common shares; or (ii) the number of common shares issuable to insiders at any time pursuant to the ESPP and all such other share compensation arrangements exceeding 10% of the issued and outstanding common shares.

The Board may terminate, amend, or modify the ESPP at any time subject to obtaining any necessary approval of any applicable regulatory authority including, without limitation, the TSX-V, and if required, the approval of the shareholders of the Company. However, the Board may amend the ESPP without shareholder approval in certain circumstances, including, as required to clarify any provision of the ESPP, to amend provisions respecting administration of the ESPP, to amend the Participant contribution provisions of the Plan, and to amend the number or percentage of common shares contributed by the Company. Since its approval by shareholders, the Company has made minor amendments to the ESPP, which did not require further approval by shareholders of the Company.

Executive Compensation Summary

On August 28, 2018, the Company granted options to the NEOs to acquire a total of 2.6 million common shares of the Company ("**Performance Options**"). The award of the Performance Options was a one-time discretionary award, granted by the Board of Directors pursuant to the SBCP to reward the Company's senior executives for individual and corporate performance, to align their interests with that of the Company and to provide for long-term incentive. In determining the discretionary award, the Board of Directors took into account a range of relevant factors including but not limited to: strong record of financial results, achievement of operational results, successful completion of multiple acquisitions, growth in market capitalization and share price and overall value creation to shareholders. The Board of Directors does not anticipate further discretionary grants to these executives over the next 4 to 5 years. These grants are reflected in the Executive Compensation Summary Table below and are set out in more detail in a separate table under the heading, "Outstanding Share-Based Awards and Option-Based Awards".

Except in certain circumstances, all of the Performance Options are subject to cliff vesting on the third anniversary of their issuance. Of the 2.6 million options granted, 40% or 1.04 million are regular options granted to recognize the performance of the NEO's in enabling the Company to provide significant returns to the shareholders over the past 3 years (over 30% year over year growth). The remaining 60% or 1.56 million options are performance conditioned options, with a requirement for the Company's share price to reach a threshold of \$12 in order for these options to vest and with a further obligation on the holder to hold the after-tax value of the shares issued on exercise of these options for a period of one year after the date of exercise, thereby aligning the performance of the NEOs with the interests of the shareholders – incentivizing the NEOs to continue to support the Company and to focus on the Company's continued growth and positive returns for the shareholders.

All of the Performance Options have an exercise price of \$7.93 per share, have a term of 5 years and otherwise are subject to the terms of the SBCP.

Notes:

- (1) Amounts for 2018 and 2017, are based on the grant date fair value of the RSU awards under the SBCP, which were calculated by multiplying the number of Awards granted to the applicable NEO by the volume weighted average market price for the 10 days prior to September 1 of the grant year being \$6.59 for the grants of RSUs in fiscal 2018 and \$3.99 for the grants of RSUs in fiscal 2017 (other than in respect of 10,885 RSUs granted to Mr. Asmundson where the 10-day volume weighted average price of the Common Shares at the grant date was \$4.48). The amount for 2016 was based on the grant date fair value of the RSU award being \$3.59 for the grants of RSUs in fiscal 2016 (other than in respect of 8,190 RSUs granted to Mr. Stewner where the 10-day volume weighted average price of the Common Shares at the date of grant was \$2.87).
- (2) Represents the dollar amount based on the fair value of options on the grant date. The 2018 awards are comprised of the Performance Options. For the Performance Options, fair value was calculated by an independent third party advisor using the Monte Carlo simulation approach, which was determined to be the most appropriate method based on the terms and conditions of these options. For the 2017 and 2016 awards, fair value was calculated using the Black-Scholes model, a methodology commonly used by issuers. These valuation models ascribe a value to a stock option based on a number of factors, including the exercise price of the option, the price of the underlying security on the date the option was granted, and assumptions with respect to the volatility of the price of the underlying security, the expected life of the option, forfeitures, dividend yield and the risk-free rate of return. For options issued in the years ended August 31, 2018 and August 31, 2017, the weighted average assumptions used in the pricing model were as follows:

Monte Carlo Model Assumptions		August 31, 2018
Expected term for regular option vesting		4.00 years
Expected term for performance conditioned option vesting		4.06 years
Risk-free interest rate		2.21%
Starting share price		\$8.10
Dividend yield		nil
Volatility factor of expected market price of the Company's shares		40.1%

Black-Scholes Model Assumptions		August 31, 2017
Expected option life		5.00 years
Risk-free interest rate		0.72%
Dividend yield		nil
Forfeiture rate		7.78%
Volatility factor of expected market price of the Company's shares		31.74%

- (3) Discretionary annual cash award (cash bonuses). For fiscal year 2018, as a result of strong Company performance, including as respects financial results, achievement of operational results, and growth in market capitalization and share price, each NEO was awarded an additional cash bonus amount on a discretionary basis. As respects the CEO, the Board of Directors approved an additional cash award in an amount equal to 25% of his base salary.
- (4) Represents the dollar amount based on the fair value of the Matching Shares purchased by the Company under the ESPP based on the price paid to purchase the common shares on the open market.
- (5) Perquisites provided to each NEO were worth, in aggregate, less than \$50,000 and were not worth 10% or more in value of each NEO's total salary.
- (6) Mr. Asmundson commenced his employment with the Company on March 6, 2017.

Notes:

- (1) The Company granted the options to NEOs under the SBCP. The grant was a one-time grant with no further option grants to them anticipated for the next 4 to 5 years. The options were granted to reward the NEOs for individual and corporate performance, to align their interests with that of the Company and to provide for long-term incentives.

- (2) Mr. Goldberg was awarded 1,000,000 options, of which 60% or 600,000 are performance conditioned options, with a requirement for the Company's share price to reach a threshold of \$12 in order for these options to vest. The remaining 40% or 400,000 options are regular options. All options vest no earlier than the third anniversary of date of grant provided the performance conditioned options achieve a volume weighted average price for 10 consecutive trading days equal to at least \$12. There is a further requirement to hold the after-tax value of the shares issued on exercise of these options for a period of one year after the date of exercise.
- (3) Mr. Stewner, Ms. Chwartacki, Mr. Canning and Mr. Asmundson were each awarded 400,000 options, of which 60% or 240,000 are performance conditioned options, with a requirement for the Company's share price to reach a threshold of \$12 in order for these options to vest. The remaining 40% or 160,000 options are regular options. All options vest no earlier than the third anniversary of date of grant provided the performance conditioned options achieve a volume weighted average price for 10 consecutive trading days equal to at least \$12. There is a further requirement to hold the after-tax value of the shares issued on exercise of these options for a period of one year after the date of exercise.

Share Ownership Guidelines – Executives

In November of 2018, the Board established a Share Ownership Guidelines Policy (the "**Guidelines**"), outlining the minimum levels of share ownership required for the Directors of the Company and the CEO and other executives who comprise the Company's corporate management team. All of the NEOs are subject to the Guidelines. The Guidelines are designed to align the interests of these executives with the interests of shareholders, to demonstrate their financial commitment to the Company through personal share ownership and are part of the Company's commitment to promote sound corporate governance practices.

Executives holding the following positions or appointments are required to own Shares which have a Fair Value, (i.e. the greater of: (i) the Cost; and (ii) the Fair Market Value (as these terms are defined in the Guidelines) of the shares, DSUs or RSUs held) of at least:

CEO	3 times annual base salary
Other Executives	1.5 times annual base salary

The following are considered to be "Shares" for purposes of the Guidelines:

- common shares owned directly by the executive;
- common shares owned jointly by the executive and his/her spouse or separately by the executive's spouse;
- common shares held in trust for the benefit of the executive or for the executive's spouse or children;
- common shares owned by a Canadian corporation controlled by the executive;
- DSUs granted to the executive, whether vested or unvested; and
- RSUs granted to the executive, whether vested or unvested, but excluding performance conditioned Restricted Stock Units

Options are excluded.

Once an executive achieves the Guidelines, if the common share price declines, and the market value of the Shares held drops below the minimum, so long as the executive continues to hold the minimum number of shares (at peak price) going forward, the executive is considered to be in compliance with the Guidelines.

Executives are required to maintain ownership levels that meet or exceed the Guidelines within five years of being appointed or promoted to a position that is subject to the Guidelines, provided that if an executive's base salary is increased, then the executive will have 2 years from the time of the increase to meet the increased minimum Share ownership requirement.

The Company believes that given the short term and long term incentive programs in place for the Company's executives, there are sufficient programs in place to assist the executive to reach the required

ownership level.

As at the Record Date all of the NEOs are in compliance with the Guidelines.

COMPENSATION OF DIRECTORS

Philosophy and approach

The Company has designed the director compensation program to be fair and competitive and allow the Board to attract well qualified directors.

Program structure

Independent directors receive an annual retainer and meeting fees for serving on the Board. They are also reimbursed for reasonable travel expenses they incur to attend Board and Board committee meetings. The Lead Director receives an additional retainer to recognize his increased responsibility and similarly, Board committee chairs receive an additional retainer in recognition of their additional responsibilities in such roles. Effective March 1, 2015, the Board approved the grant of DSUs and options under the SBCP as part of the annual compensation to be paid to the independent directors of the Company. The following chart sets out the Board compensation structure for the fiscal year ended August 31, 2018.

Board Compensation Structure

Independent Director Role	Cash	DSUs	Options
Director	\$17,500	\$15,000	\$10,000
Lead Director	-	\$15,000	\$5,000
Committee Chair	\$5,000	-	-
Meeting Fees	\$1,000/meeting	-	-
New Director Appointment	-	\$10,000	-

Independent Director Compensation Table

The following table identifies all compensation paid to the independent directors of the Company for the financial year ended August 31, 2018.

Director ⁽¹⁾	Fees Earned	⁽²⁾ Share Based Awards	⁽³⁾ Option Based Awards	Non-equity Incentive Plan Compensation	Pension Value	All Other Compensation	Total Compensation
Scott Anderson	\$28,125	\$54,750	\$4,145	-	-	-	\$87,020
Richard Leipsic	\$44,500	\$15,000	\$2,770	-	-	-	\$62,270
Eric Stefanson	\$44,500	\$15,000	\$2,770	-	-	-	\$62,270

Notes:

⁽¹⁾ Compensation for Laurie Goldberg is reported above in the disclosure of NEO's. Mr. Goldberg is not paid any compensation for his role as a director of the Company.

⁽²⁾ DSUs vest immediately and are based on a common share price on the grant date of \$6.59. Scott Anderson received 3,098 DSUs at a value of \$7.99 each, in lieu of the cash payment for quarterly director fees for the last half of the 2018 financial year.

⁽³⁾ The Company has estimated the "grant date fair value" amounts in the "Option - Based Awards" column above using the Black-Scholes model, a mathematical valuation model that ascribes a value to a stock option based on a number of factors, including the exercise price of the option (\$7.22), the price of the underlying security on the date the option was granted, and assumptions with respect to the volatility of the price of the underlying security, the expected life of the option, forfeitures, dividend yield and the risk-free rate of return. For options issued in the year ended August 31, 2018, the weighted average assumptions used in the pricing model were as follows: expected option life – 5.00 years; risk free interest rate – 1.63%; dividend yield – nil; expected volatility – 28.20%; forfeiture rate – 7.52%.

Outstanding Share Based Awards and Option Based Awards

None of the vested DSUs were settled as at August 31, 2018. Scott Anderson received 3,098 DSUs at a value of \$7.99 each, in lieu of the cash payment for quarterly director fees for the last half of the 2018 financial year.

Share Ownership Guidelines – Directors

In November of 2018, the Board established a Share Ownership Guidelines Policy (the “**Guidelines**”), outlining the minimum levels of share ownership required for the Directors of the Company and the CEO and other executives who comprise the Company’s corporate management team. All of the Company’s independent directors are subject to the Guidelines as the same apply to the Directors. In the case of a Company executive, who is also a director, the Guidelines provide that the individual is subject to those Guidelines that apply to the executives. The Guidelines are designed to align the interests of the independent directors with the interests of shareholders, to demonstrate their financial commitment to the Company through personal share ownership and are part of the Company’s commitment to promote sound corporate governance practices.

Directors are required to own Shares which have a Fair Value, (i.e. the greater of: (i) the Cost; and (ii) the Fair Market Value (as these terms are defined in the Guidelines) of the shares, DSUs or RSUs held) of at least 3 times the Director’s Annual Retainer (defined as the basic annual dollar amount and value of annual DSUs payable to an independent Director for the Director’s service to the Company for the fiscal year and it includes the additional payments made to the Director related to the Director’s service as the Lead Director or as a Board Committee chairperson (if applicable) but does not include payments made to the Director for other matters such as meeting fees).

The following are considered to be “Shares” for purposes of the Guidelines:

- common shares owned directly by the Director;
- common shares owned jointly by the Director and his/her spouse or separately by the Director’s spouse;
- common shares held in trust for the benefit of the Director or for the Director’s spouse or children;
- common shares owned by a Canadian corporation controlled by the Director;
- DSUs granted to the Director, whether vested or unvested; and
- RSUs granted to the Director, whether vested or unvested, but excluding performance conditioned Restricted Stock Units

Options are excluded.

Once a Director achieves the Guidelines, if the common share price declines, and the market value of the Shares held drops below the minimum, so long as the Director continues to hold the minimum number of shares (at peak price) going forward, the Director is considered to be in compliance with the Guidelines.

Directors are required to maintain ownership levels that meet or exceed the Guidelines within three years of being appointed, provided that if a Director’s Annual Retainer is increased, then the Director will have 2 years from the time of the increase to meet the increased minimum Share ownership requirement.

The Company believes that given the participation by the Directors in the SBCP by virtue of the DSU compensation paid to them, there are sufficient programs in place to assist the Director to reach the required ownership level.

As at the Record Date all of the independent Directors are in compliance with the Guidelines.

U.S. Qualified Incentive Stock Options shall only be granted to U.S. Optionees who are, at the time of grant, officers, Employees or directors of the Corporation or one of its parent corporations or subsidiary corporations (provided, for purposes of this Article 7 only, such directors are then also officers or Employees of the Corporation or one of its parent corporations or subsidiary

corporations). For purposes of this Article 7, “parent corporation” and “subsidiary corporation” shall have the meanings attributed to those terms for the purposes of Section 422 of the U.S. Internal Revenue Code. Any director of the Corporation who is a U.S. Optionee shall be ineligible to vote upon the granting of such Option; and for greater certainty, contractors of the Corporation or subsidiary corporations may not be granted U.S. Qualified Incentive Stock Options.

In the event the U.S. Optionee holds two or more such Options that become exercisable for the first time in the same calendar year, such limitation shall be applied on the basis of the order in which such Options are granted.

7.3 **10% Shareholders.** If any U.S. Optionee to whom an U.S. Qualified Incentive Stock Option is to be granted under this Plan at the time of the grant of such U.S. Qualified Incentive Stock Option is the owner of shares possessing more than ten percent (10%) of the total combined voting power of all classes of shares of the Corporation, then the following special provisions shall be applicable to the U.S. Qualified Incentive Stock Option granted to such individual:

Employment shall not be deemed to continue beyond the first 90 days of a leave of absence unless the U.S. Optionee’s reemployment rights are guaranteed by statute or contract. For purposes of this Section 7.4, “total disability” shall mean a mental or physical impairment of the U.S. Optionee which is expected to result in death or which has lasted or is expected to last for a continuous period of 12 months or more and which causes the U.S. Optionee to be unable, in the opinion of the Corporation and two independent physicians, to perform his or her duties for the Corporation and to be engaged in any substantial gainful activity. Total disability shall be deemed to have occurred on the first day after the Corporation and the two independent physicians have furnished their opinion of total disability to the Human Resources Committee.

Revenue Code, the U.S. Optionee must hold the Common Shares issued upon the exercise of a U.S. Qualified Incentive Stock Option for two years after the date of grant of the U.S. Qualified Incentive Stock Option and one year from the date of exercise. A U.S. Optionee may be subject to U.S. alternative minimum tax at the time of exercise of a U.S. Qualified Incentive Stock Option. The Human Resources Committee may require a U.S. Optionee to give the Corporation prompt notice of any disposition of shares acquired by the exercise of a U.S. Qualified Incentive Stock Option prior to the expiration of such holding periods.

- 7.6 **Transferability.** No U.S. Qualified Incentive Stock Option granted under this Plan may be assigned or transferred by the U.S. Optionee other than by will or by the laws of descent and distribution, and during the U.S. Optionee's lifetime, such U.S. Qualified Incentive Stock Option may be exercised only by the U.S. Optionee.
- 7.7 **Human Resources Committee Governance if U.S. Registrant.** If and so long as the Common Shares are registered under Section 12(b) or 12(g) of the U.S. Securities Exchange Act, the Board of Directors shall consider in selecting the members of the Human Resources Committee, with respect to any persons subject or likely to become subject to Section 16 of the U.S. Securities Exchange Act, the provisions regarding "non-employee directors" as contemplated by Rule 16b-3 under the U.S. Securities Exchange Act.
- 7.8 **Exercise Price.** Notwithstanding Section 6.3 hereof, no U.S. Qualified Incentive Stock Option granted under this Plan shall have an Exercise Price less than the fair market value of the underlying Common Shares at the date of grant of such Option, as determined at such time in good faith by the Board of Directors or the Human Resources Committee, as the case may be.
- 7.9 **Approval by Shareholders.** No U.S. Qualified Incentive Stock Option granted to a U.S. Optionee under this Plan shall become exercisable unless and until this Plan shall have been approved by the shareholders of the Corporation within 12 months of approval by the Board of Directors of the Corporation.

 - (c) made by a combination of a cash payment and Common Shares shall be equivalent to the value derived by Subsection 9.4(a).
- 9.5 **Settlement of Tandem SARs Issued to U.S. Persons.** Notwithstanding anything else in this Article 9, for all Tandem SARs granted to U.S. Persons, the settlement amount calculated under Section 9.4(a) on exercise of a Tandem SAR may not exceed the aggregate value of the excess of the Fair Market Value of a Common Share on the date of exercise of the Tandem SAR over the Fair Market Value of a Common Share on the date of grant of the Tandem SAR, multiplied by the number of Tandem SARs exercised.

10. GRANT OF RESTRICTED STOCK UNITS

- 10.1 **Grant of Restricted Stock Units.** The Human Resources Committee or the Board of Directors, as applicable, may from time to time grant Restricted Stock Units to Eligible Persons pursuant to the terms of this Plan. The date on which any Restricted Stock Unit shall be deemed to have been granted shall be the date on which the Human Resources Committee or the Board of Directors, as applicable, authorizes the grant of such Award.
- 10.2 **Vesting Terms.** Restricted Stock Units shall become vested at such times, in such instalments, and subject to such terms and conditions (including performance-based conditions) as may be determined by the Human Resources Committee and set forth in the applicable Award

Agreement. Unless otherwise determined by the Human Resources Committee, all Restricted Stock Units shall vest three years after the date of grant of such Award. Notwithstanding the foregoing, all Restricted Stock Units shall vest prior to December 31st of the third calendar year following the year of service to which the Restricted Stock Unit Award relates.

- 10.3 **Determination of Restricted Stock Units.** Restricted Stock Units awarded pursuant to this Plan shall be credited to an account maintained for each Participant by the Corporation as and when awards are made. The number of Restricted Stock Units to be credited to a Participant shall be determined on the date on which the Human Resources Committee or the Board of Directors, as applicable, authorizes the grant of such Award, on a one Restricted Stock Unit per Common Share basis.
- 10.4 **Settlement of Restricted Stock Units.** Restricted Stock Units shall be settled upon, or as soon as reasonably practicable following, the vesting thereof, subject to payment or other satisfaction of all related withholding obligations in accordance with Article 17 hereof and administrative costs, and in any event no later than December 31st of the third calendar year following the year of service to which the Restricted Stock Unit Award relates. Notwithstanding the foregoing, Restricted Stock Units issued to U.S. Persons will be settled no later than March 15th of the year following the end of the year in which the Restricted Stock Units vest, and in any event no later than December 31st of the third calendar year following the year of service to which the Restricted Stock Unit Award relates. Settlement shall be made by a cash payment, Common Shares, or a combination thereof, as determined by the Human Resources Committee in its sole discretion, and settlement:
- (a) made in Common Shares shall be made by delivery of one Common Share, either from treasury or the open market, for each such Restricted Stock Unit then being settled;
 - (b) made by a cash payment shall be an aggregate amount equal to the product of the Fair Market Value of the Common Shares on the applicable settlement date as specified by the Human Resources Committee, multiplied by the number of Restricted Stock Units then being settled; and
 - (c) made by a combination of a cash payment and Common Shares shall be equivalent to the value derived by Subsection 10.4(b).
- 10.5 **Dividends.** In the event that any cash dividend is declared and paid on the Common Shares, the bookkeeping accounts maintained by the Corporation in respect of the Restricted Stock Units granted to Eligible Persons shall be credited with additional Restricted Stock Units. The number of such additional Restricted Stock Units shall be calculated by dividing the total amount of the dividends that would have been paid to such Eligible Persons if the Restricted Stock Units credited to the Eligible Persons' accounts on the dividend record date had been Common Shares, by the Fair Market Value on the date on which the cash dividends were paid on the Common Shares.

11. GRANT OF DEFERRED STOCK UNITS

- 11.1 **Grant of Deferred Stock Units.** The Human Resources Committee or the Board of Directors, as applicable, may from time to time grant Deferred Stock Units to Eligible Persons pursuant to the terms of this Plan. The date on which any Deferred Stock Unit shall be deemed to have been

granted shall be the date on which the Human Resources Committee or the Board of Directors, as applicable, authorizes the grant of such Award.

- 11.2 **Vesting Terms.** Deferred Stock Units shall become vested at such times and subject to such terms and conditions as may be determined by the Human Resources Committee and set forth in the applicable Award Agreement.
- 11.3 **Determination of Deferred Stock Units.** Deferred Stock Units awarded pursuant to this Plan shall be credited to an account maintained for each Participant by the Corporation as and when awards are made. The number of Deferred Stock Units to be credited to a Participant shall be determined on the date on which the Human Resources Committee or the Board of Directors, as applicable, authorizes the grant of such Award, on a one Deferred Stock Unit per Common Share basis.
- 11.4 **Settlement of Deferred Stock Units.** Vested Deferred Stock Units shall be settled, upon the Terminated Service of the Participant who holds the vested Deferred Stock Units, pursuant to the terms and conditions of this Section 11.4 and pursuant to Sections 11.6 and 11.7 hereof (as applicable) and subject to payment or other satisfaction of all related withholding obligations in accordance with Article 17 hereof and administrative costs. Settlement Amounts in respect of Deferred Stock Units shall be settled by a cash payment, Common Shares or a combination thereof, as determined by the Human Resources Committee in its sole discretion, and settlement:
- (a) made in Common Shares shall be made by delivery of one Common Share, either from treasury or the open market, for each such Deferred Stock Unit then being settled in respect of the Delivery Date (as determined in accordance with Section 11.6 below);
 - (b) made by a cash payment equal to the aggregate Fair Market Value of the number of Common Shares that would have been delivered under Subsection 11.4(a) for the Deferred Stock Units being settled in respect of the Delivery Date; and
 - (c) made by a combination of a cash payment and Common Shares shall be equivalent to the value derived by Subsection 11.4(a).
- 11.5 **Dividends.** In the event that any cash dividend is declared and paid on the Common Shares, the bookkeeping accounts maintained by the Corporation in respect of the Deferred Stock Units granted to Eligible Persons shall be credited with additional Deferred Stock Units. The number of such additional Deferred Stock Units shall be calculated by dividing the total amount of the dividends that would have been paid to such Eligible Persons if the Deferred Stock Units credited to the Eligible Persons' accounts on the dividend record date had been Common Shares, by the Fair Market Value on the date on which the cash dividends were paid on the Common Shares.
- 11.6 **Payment of Settlement Amount.**
- (a) Non-U.S. Persons
 - (i) A Participant who is not a U.S. Person, who has Terminated Service and is entitled to receive a Settlement Amount may receive the Participant's Settlement Amount by delivering a Notice of Settlement on or before November 1st of the first calendar year commencing after the date of the Participant's Terminated

Service. If the Participant fails to deliver such Notice on or before that November 1st, the Participant shall be deemed to have delivered the Notice of Settlement on that November 1st. For the purposes of this Subsection 11.6(a), the “Delivery Date” shall be the date on which the Notice of Settlement is delivered or deemed to have been delivered by the Participant.

- (ii) Subject to Article 18 hereof, the Corporation shall make payment of the Settlement Amount as soon as reasonably possible following the Delivery Date and in any event no later than December 31st of the first calendar year commencing after the date of the Participant’s Terminated Service.
- (iii) In the event of the death of a Participant who is not a U.S. Person and is entitled to receive a Settlement Amount, the Corporation shall, subject to Article 18 hereof, make payment of the Settlement Amount within two months of the Corporation being notified of the Participant’s death and in any event no later than December 31st of the first calendar year commencing after the date of the Corporation being notified of the Participant’s death to or for the benefit of the Legal Representative of the deceased Participant. For the purposes of this subsection, the Delivery Date shall be deemed to be the date that the Corporation is notified of the Participant’s death.
- (iv) If a Participant who is not a U.S. Person and is entitled to receive a Settlement Amount dies after the Participant has Terminated Service but before filing a Notice of Settlement, Paragraph 11.6(a)(iii) shall apply.

(b) U.S. Persons

- (i) In the event that a Participant who is a U.S. Person and not a Key Employee has Terminated Service and is entitled to receive a Settlement Amount, the Corporation shall, subject to Article 18 hereof, make payment of the Settlement Amount as soon as reasonably possible but no later than 90 days following such Participant’s Terminated Service.
- (ii) In the event that a Participant who is a U.S. Person and a Key Employee has Terminated Service and is entitled to receive a Settlement Amount, the Corporation shall, subject to Article 18 hereof, make payment of the Settlement Amount as soon as is reasonably possible following the date that is six months after the date that such Participant Terminated Service. In the event of death of such a Participant during the six month period following the date the Participant Terminated Service, the payment of the Settlement Amount will be made on the earlier of the date provided for under this Paragraph 11.6(b)(ii); and the date that is within two months of the Corporation being notified of the Participant’s death.
- (iii) In the event of the death of a Participant who is a U.S. Person and is entitled to receive a Settlement Amount, the Corporation shall, subject to Article 18 hereof, make payment of the Settlement Amount within two months of the Corporation being notified of the Participant’s death, to or for the benefit of the Legal Representative of the deceased Participant.

- (iv) To the extent necessary to comply with Section 409A of the U.S. Internal Revenue Code, a Participant who is a U.S. Person will not be deemed to have Terminated Service for purposes of this Section 11.6(b) unless the termination of service is a “separation from service” within the meaning of Section 409A of the U.S. Internal Revenue Code.

11.7 **Payments to Directors.** Notwithstanding the foregoing, and subject to compliance with applicable laws, Settlement Amounts in respect of vested Deferred Stock Units granted to Participants who are Directors who have Terminated Service, and who are not U.S. Persons, shall be settled by the issuance of Common Shares from treasury unless at the time of exercise of any vested Deferred Stock Units the Participant elects, subject to the consent of the Corporation, to have the Corporation pay an amount in cash equal to the aggregate Fair Market Value of such Common Shares, in consideration for the surrender by the Participant to the Corporation of the right to receive Common Shares from the exercise of the Deferred Stock Units. The foregoing election and settlement shall be made but no later than December 31st of the first calendar year commencing after the holder ceases to be a Director.

12. TERM OF AWARDS

12.1 **Term of Options and Tandem SARS.** Unless otherwise determined by the Human Resources Committee, each Option and Tandem SAR granted pursuant to this Plan shall, subject to the provisions of this Plan, expire automatically on the earlier of:

- (a) the date determined by the Human Resources Committee and specified in the Award Agreement pursuant to which such Option and, if applicable, Tandem SAR is granted, provided that such date may not be, subject to Article 18 hereof, later than the earlier of (A) the date which is the eighth anniversary of the date on which such Option and, if applicable, Tandem SAR is granted, and (B) the latest date permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the Stock Exchange;
- (b) in the event the Participant ceases to be an Eligible Person for any reason, other than the death of the Participant or the termination of the Participant’s service for Cause, such period of time after the date on which the Participant ceases to be an Eligible Person as may be specified by the Human Resources Committee, which date shall not exceed 90 days following the termination of the Participant’s employment with the Corporation or an Affiliate or in the case of Options granted to a director or Consultant, 90 days following the Participant ceasing to be a director or a Consultant of the Corporation or an Affiliate, or such later date as may be determined by the Human Resources Committee;
- (c) in the event of the death of a Participant, the date which is one year after the date of death of such Participant;
- (d) in the event of the termination of the Participant’s service as a director, officer, Employee or Consultant of the Corporation or an Affiliate for Cause, the date of such termination; and
- (e) notwithstanding the foregoing provisions of subparagraphs (b), (c) and (d) of this Section 12.1, the Human Resources Committee may, subject to Article 19 hereof and to

regulatory approval, if required, at any time prior to expiry of an Option extend the period of time within which an Option may be exercised by a Participant who has ceased to be an Eligible Person, but such an extension shall not be granted beyond the original expiry date of the Option as provided for in Subsection 12.1(a) above.

- 12.2 **Options and Tandem SARs Cease to Vest.** Notwithstanding the foregoing, except as expressly permitted by the Human Resources Committee, all Options shall cease to vest as at the date upon which the Participant ceases to be an Eligible Person.
- 12.3 **Term of Restricted Stock Units.** Unless otherwise determined by the Human Resources Committee, in the event a Participant ceases to be an Eligible Person any then outstanding Restricted Stock Units or Deferred Stock Units that have not become vested and settled prior to the Participant ceasing to be an Eligible Person shall immediately be forfeited and cancelled.
- 12.4 **Restricted Stock Unit and Deferred Stock Unit Cease to Vest.** Unless otherwise determined by the Human Resources Committee, all Restricted Stock Units and Deferred Stock Units shall cease to vest as at the date upon which the Participant ceases to be an Eligible Person.
- 12.5 **Certain Determinations as to Dates.** For greater certainty, for the purposes of this Article 12, the date on which an Eligible Person ceases to be employed by, provide services to, or be a director or officer of, the Corporation shall be such person's last day of active employment or service, as the case may be, and shall not include any period of statutory, reasonable or contractual notice or any period of deemed employment or salary continuation.

13. CHANGE IN STATUS

- 13.1 A change in the status, office, position or duties of a Participant from the status, office, position or duties held by such Participant on the date on which the Award was granted to such Participant shall not result in the termination of the Award granted to such Participant provided that such Participant remains a director, officer, Employee or Consultant of the Corporation or an Affiliate.

14. NON-TRANSFERABILITY OF AWARDS

- 14.1 Each Award Agreement shall provide that the Award granted thereunder is not transferable or assignable and may be exercised or settled, as the case may be, only by the Participant or, in the event of the death of the Participant or the appointment of a committee or duly appointed attorney of the Participant on the grounds that the Participant is incapable, by reason of physical or mental infirmity, of managing the Participant's affairs, the legal representative of the estate of the Participant or such committee or attorney, as the case may be (the "Legal Representative").

15. REPRESENTATIONS AND COVENANTS OF PARTICIPANTS

- 15.1 Each Award Agreement shall contain representations and covenants of the Participant that:
- (a) the Participant is a director, officer, Employee or Consultant of the Corporation or an Affiliate;
 - (b) the Participant has not been induced to enter into such Award Agreement by expectation of employment or continued employment with the Corporation or an Affiliate (or in the case of a Consultant, by the expectation of engagement of the Consultant to provide

services or continued engagement of the Consultant to provide services to the Corporation or an Affiliate);

- (c) the Participant is aware that the grant of the Award and the issuance by the Corporation of Common Shares thereunder are exempt from the obligation under applicable securities laws to file a prospectus or other registration document qualifying the distribution of the Awards or the Common Shares to be distributed thereunder under applicable securities laws;
- (d) upon each exercise or settlement of an Award, the Participant, or the Legal Representative of the Participant, as the case may be, shall, if requested by the Corporation, represent and agree in writing that the Participant is or was, as applicable, a director, officer, Employee or Consultant of the Corporation or an Affiliate and has not been induced to purchase the Common Shares by expectation of employment or continued employment with the Corporation or an Affiliate (or in the case of a Consultant, by expectation of engagement of the Consultant to provide services or continued engagement of the Consultant to provide services to the Corporation or an Affiliate), and that such person is not aware of any commission or other remuneration having been paid or given to others in respect of the trade in the Common Shares; and
- (e) if the Participant or the Legal Representative of the Participant exercises or settles the Award, the Participant or the Legal Representative, as the case may be, shall prior to and upon any sale or disposition of any Common Shares received pursuant to the exercise or settlement of the Award, comply with all applicable securities laws and all applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the Stock Exchange, and shall not offer, sell or deliver any of such Common Shares, directly or indirectly, in the United States or to any citizen or resident of, or any corporation, partnership or other entity created or organized in or under the laws of, the United States, or any estate or trust the income of which is subject to United States federal income taxation regardless of its source, except in compliance with the securities laws of the United States.

16. PROVISIONS RELATED TO SHARE ISSUANCES

- 16.1 Each Award Agreement shall contain such provisions as in the opinion of the Human Resources Committee are required to ensure that no Common Shares are issued on the exercise or settlement of an Award unless the Human Resources Committee is satisfied that the issuance of such Common Shares shall be exempt from all registration or qualification requirements of applicable securities laws and shall be permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the Stock Exchange. In particular, if required by any regulatory authority to which the Corporation is subject, including the Stock Exchange, an Award Agreement may provide that shareholder approval to the grant of an Award must be obtained prior to the exercise or settlement of the Award or to the amendment of the Award Agreement.

17. WITHHOLDING TAX

- 17.1 The Participant shall be solely responsible for paying any applicable withholding taxes arising from the grant, vesting, exercise or settlement of any Award and payment is to be made in a

manner satisfactory to the Corporation. Notwithstanding the foregoing, the Corporation (or an Affiliate) shall have the right to withhold from any Award or any Common Shares issuable pursuant to an Award or from any cash amounts otherwise due or to become due from the Corporation to the Participant, an amount equal to any such taxes.

18. EXERCISE AND SETTLEMENT OF AWARDS DURING BLACKOUT PERIODS

- 18.1 **Adjustment for Exercise of Awards during Blackout Periods.** Where the expiry date of an Option or Tandem SAR occurs during a Blackout Period or within ten Non-Blackout Trading Days following the end of a Blackout Period, except as provided in Section 7.3 hereof, the expiry date for such Option or Tandem SAR shall be the date which is ten Non-Blackout Trading Days following the end of such Blackout Period, provided that no U.S. Qualified Incentive Stock Option will be extended beyond the date that is ten years following the date of grant.
- 18.2 **Extension for Settlement during Blackout Periods.** Where the date for the settlement of Restricted Stock Units or the payment of a Settlement Amount occurs during a Blackout Period, the Corporation shall make such settlement or pay such Settlement Amount to the holder of such an Award within ten Non-Blackout Trading Days following the end of such Blackout Period and in any event no later than December 31st of the third calendar year following the year of service to which the Restricted Stock Unit Award relates.

19. SUSPENSION, AMENDMENT OR TERMINATION OF THIS PLAN

- 19.1 **Suspension, Amendment or Termination of this Plan.** Subject to Section 19.2 hereof, the Human Resources Committee or the Board of Directors, as applicable, shall have the right, at any time, to suspend, amend or terminate this Plan and to amend any Award Agreement, including, without limitation, making the following amendments to this Plan and any Award Agreement:
- (a) amendments of a clerical nature, including but not limited to the correction of grammatical or typographical errors or clarification of terms;
 - (b) amendments to reflect any requirements of any regulatory authorities to which the Corporation is subject, including the Stock Exchange;
 - (c) subject to the terms and conditions of this Plan, amendments to vesting provisions of Award Agreements; and
 - (d) such changes as may be required to comply with applicable provisions of the *Income Tax Act* (Canada) or the U.S. Internal Revenue Code;

provided that, and notwithstanding the generality of the foregoing, the following amendments to this Plan or any Award Agreement may only be made by the Human Resources Committee or the Board of Directors, as applicable, with the approval of shareholders of the Corporation by ordinary resolution:

- (e) increase the number of Common Shares reserved for issuance under Section 4.1 hereof; provided that, if and for so long as the Common Shares are listed on the TSXV, such increase shall be approved by disinterested shareholders pursuant to TSXV Policy 4.4;

- (f) reduce the Exercise Price in respect of an Option; provided that, if and for so long as the Common Shares are listed on the TSXV, such reduction in respect of an Option granted to an Insider shall be approved by disinterested shareholders pursuant to TSXV Policy 4.4;
- (g) extend the term of an Option or Tandem SAR beyond the original expiry; provided that, if and for so long as the Common Shares are listed on the TSXV, such extension in respect of an Option granted to an Insider shall be approved by disinterested shareholders pursuant to TSXV Policy 4.4;
- (h) cancel an Award and replace such Award either by the same type of or another Award;
- (i) make any amendment which would permit Awards granted under this Plan to be transferable or assignable other than pursuant to Article 14 hereof; and
- (j) make any amendment to any amending provisions of this Plan.

Notwithstanding the foregoing, all procedures and necessary approvals required under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject shall be complied with and obtained in connection with any such suspension, termination or amendment to this Plan or amendments to any Award Agreement.

19.2 **Limitations.** Notwithstanding the provisions of Section 19.1 hereof, the Human Resources Committee or the Board of Directors, as applicable, shall not have the right to:

- (a) affect in a manner that is adverse or prejudicial to, or that impairs, the benefits and rights of any Participant under any Award previously granted under this Plan (except as permitted pursuant to Article 20 hereof and except for the purpose of complying with applicable securities laws or the bylaws, rules and regulations of any regulatory authority to which the Corporation is subject, including the Stock Exchange);
- (b) decrease the number of Common Shares which may be purchased pursuant to any Option (except as permitted pursuant to Article 20 hereof) without the consent of the Participant to whom the Option was granted;
- (c) set the Exercise Price of any Option below the Fair Market Value of such Option on the date of grant;
- (d) increase the Exercise Price at which Common Shares may be purchased pursuant to any Option (except as permitted pursuant to Article 20 hereof) without the consent of the Participant to whom the Option was granted;
- (e) extend the term of any Option beyond a period of eight years or the latest date permitted under the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the Stock Exchange;
- (f) grant any Award if this Plan is suspended or has been terminated; or
- (g) change or adjust any outstanding U.S. Qualified Incentive Stock Option without the consent of the Participant to whom the said U.S. Qualified Incentive Stock Option was

granted if such change or adjustment would constitute a “modification” that would cause such U.S. Qualified Incentive Stock Option to fail to continue to qualify as a U.S. Qualified Incentive Stock Option.

20. ADJUSTMENTS

20.1 **Adjustments.** Appropriate adjustments in the number of Common Shares subject to this Plan, Awards granted or to be granted, the Exercise Price of an Option, the number of Common Shares to be issued or cash payments to be made in respect of the settlement of any Award, or in respect of any other matter, shall be conclusively determined by the Human Resources Committee to give effect to adjustments in the number of Common Shares resulting from subdivisions, consolidations, substitutions, or reclassifications of the Common Shares, the payment of stock dividends by the Corporation or other relevant changes in the capital of the Corporation. Any dispute that arises at any time with respect to any such adjustment shall be conclusively determined by the Human Resources Committee, and any such determination shall be binding on the Corporation, the Participant and all other affected parties.

20.2 **Change in Control.** In the event of a Change in Control or proposed Change in Control, the Human Resources Committee, at its option, may do any of the following:

- (a) in a fair and equitable manner, determine the manner in which all unexercised Options or unsettled Awards granted under this Plan shall be treated including, without limitation, requiring the acceleration of the time for the exercise by the Participants of Awards or the settlement of Awards, the time for the fulfilment of any conditions or restrictions, including vesting, on such exercise or settlement, and the time for the expiry of such rights; or
- (b) if the agreements effecting the Change in Control do not provide for the fair and equitable assumption or substitution of all Awards granted under this Plan, then with respect to any Award granted under this Plan that is not so assumed or substituted, unilaterally commute for or into any other security, property or cash on a fair and equitable basis, any Award (other than a Deferred Stock Unit) that is still capable of being exercised or settled, upon giving to the Participant to whom such Award has been granted at least 30 days written notice of its intention to commute such Award, and during such period of notice, the Award, to the extent it has not been exercised or settled, may be exercised or settled by the Participant; and on the expiry of such period of notice, the unexercised or unsettled portion of the Award shall lapse and be cancelled.

Section 20.1 hereof and subsections (a) and (b) of this Section 20.2 are intended to be permissive and may be utilized independently or successively in combination or otherwise, and nothing therein contained shall be construed as limiting or affecting the ability of the Human Resources Committee to deal with Awards in any other manner. All determinations by the Human Resources Committee under this Article 20 shall be final, binding and conclusive for all purposes. Notwithstanding anything else in this Section 20.2, for Awards issued to U.S. Persons, any actions taken under this Section 20.2 must comply with the requirements of Sections 424 and 409A of the U.S. Internal Revenue Code where necessary to prevent adverse tax consequences.

20.3 **Triggering Event.** If a Triggering Event occurs within the twelve-month period immediately following a Change in Control pursuant to the provisions of Subsection 2.1(h)(i), (ii), (iii), (iv) or

(vi), then (i) all outstanding Options held by the affected Participant shall vest and may be exercised during the period of 90 days following the Triggering Event, and (ii) all outstanding Awards (other than Options) held by the affected Participant shall vest and must be settled in accordance with this Plan. For greater certainty, for the purposes of calculating the Settlement Amount to which the affected Participant is entitled pursuant to Article 11 hereof, where the Triggering Event involves the Terminated Service of a Participant, the Delivery Date shall be the date of the Triggering Event. Notwithstanding the foregoing, Deferred Stock Units will vest on the occurrence of a Triggering Event as provided in this Section 20.3, but will be settled only at the time the Participant has Terminated Service, as provided in Section 11.6 hereof.

- 20.4 **Limitations.** The grant of Awards under this Plan shall in no way affect the Corporation's right to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, amalgamate, reorganize, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets or engage in any like transaction.
- 20.5 **No Fractional Shares.** No adjustment or substitution provided for in this Article 20 shall require the Corporation to issue a fractional share in respect of any Award and the total substitution or adjustment with respect to each Award shall be limited accordingly.

21. GENERAL

- 21.1 **No Rights as Shareholder.** Nothing herein or otherwise shall be construed so as to confer on any Participant any rights as a shareholder of the Corporation with respect to any Common Shares reserved for the purpose of any Award, including without limitation, voting rights, dividend entitlements (except as regards Restricted Stock Units and Deferred Stock Units in accordance with Sections 10.5 and 11.5, respectively) or rights on liquidation.
- 21.2 **No Effect on Employment.** Nothing in this Plan or any Award Agreement shall confer upon any Participant any right to continue in the employ of or remain under contract with the Corporation or an Affiliate or affect in any way the right of the Corporation or any such Affiliate to terminate a Participant's employment at any time or terminate a Participant's consulting contract; nor shall anything in this Plan or any Award Agreement be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any such Affiliate to extend the employment of any Participant beyond the time that the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or an Affiliate or any present or future retirement policy of the Corporation or an Affiliate, or beyond the time at which the Participant would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or an Affiliate. Neither any period of notice nor any payment in lieu thereof upon termination of employment shall be considered as extending the period of employment for the purposes of this Plan.
- 21.3 **No Fettering of Directors' Discretion.** Nothing contained in this Plan shall restrict or limit or be deemed to restrict or limit the right or power of the Board of Directors in connection with any allotment and issuance of Common Shares which are not allotted and issued under this Plan including, without limitation, with respect to other compensation arrangements.
- 21.4 **Section 409A Compliance and Liability Limitation.** All Awards granted under this Plan to U.S. Persons are intended to comply with or to be exempt from Section 409A of the U.S. Internal Revenue Code and will be construed accordingly. However, the Corporation and its Affiliates

will not be liable to any Participant or beneficiary with respect to any adverse tax consequences arising under Section 409A or other provision of the U.S. Internal Revenue Code. With respect to Awards made to U.S. Persons, all terms of this Plan that are undefined or ambiguous must be interpreted in a manner that is consistent with Section 409A of the U.S. Internal Revenue Code if necessary to comply with Section 409A of the U.S. Internal Revenue Code.

- 21.5 **Applicable Law.** This Plan and any Award Agreement granted hereunder shall be governed, construed and administered in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.
- 21.6 **Interpretation.** References herein to any gender include all genders and to the plural includes the singular and vice versa. The division of this Plan into Sections and Articles and the insertion of headings are for convenience of reference only and shall not affect the construction or interpretation of this Plan.
